

PBNI Equality Impact Screening

Part 1 Policy Scoping

Information about the policy

This form should be read in conjunction with the Equality Commission's revised Section 75, "A Guide for Public Authorities" April 2010 and available via the following link [S75 Guide for Public Authorities April 2010](#). Staff should complete a form for each new or revised policy for which they are responsible (see page 6 for a definition of policy in respect of section 75).

The purpose of screening is to identify those policies that are likely to have an impact on equality of opportunity and/or good relations and so determine whether an Equality Impact Assessment (EQIA) is necessary. Screening should be introduced at an early stage when developing or reviewing a policy.

Additional considerations

Multiple identities

2.9 Generally speaking, people can fall into more than one Section 75 category. Taking this into consideration, are there any potential impacts of the policy/decision on people with multiple identities?
(For example; disabled women; young Protestant men; and young lesbians, gay and bisexual people).

None

2.10 Provide details of data on the impact of the policy on people with multiple identities. Specify relevant Section 75 categories concerned.

2.11 Is there an opportunity through this policy for PBNI to promote positive attitudes towards disabled people or encourage the participation of disabled people in public life?

Yes

No

If answered yes detail how this will be achieved: -

Part 3 Screening decision

3.1 If the decision is not to conduct an equality impact assessment, please provide details of the reasons.

No equality issues have been identified that warrant a further inspection of equality issues in relation to this policy.

3.2 If the decision is not to conduct an equality impact assessment consider if the policy should be mitigated or an alternative policy be introduced.

N/A

3.3 If the decision is to subject the policy to an equality impact assessment, please provide details of the reasons.

N/A

Mitigation

3.4 When the likely impact is 'minor' an equality impact assessment is not to be conducted, mitigation may lessen the severity of any equality impact, or the introduction of an alternative policy to better promote equality of opportunity or good relations. Can the policy/decision be amended or changed or an alternative policy introduced to better promote equality of opportunity and/or good relations and if so, give the **reasons** to support your decision, together with the proposed changes/amendments or alternative policy.
