Policy Equality Screenings

| Name of Policy | Brief Description | Outcome |
|-------------------------------------|--|--|
| Data Protection Policy | To ensure PBNI compliance with the incoming Data Protection Act 2018 (which brings EU requirements on GDPR and LED into UK law). | All section 75 categories will benefit from increased access to personal data, enhanced rights of consent, and more readily accessible access to enforcement of rights. Screened Out |
| Freedom of Information (FOI) | To ensure that PBNI is compliant with its statutory obligations under the Freedom of Information Act 2000 (FOI). The FOI policy reflects the statutory obligations of PBNI as a public authority for staff and public. | This is considered as a technical policy and is concerned primarily with how relevant non personal information held by PBNI will be made available to the public under the FOI legislation.
